Dear John:

Thank you for your April 10, 1992 letter enclosing the Rule 40 action in this case. In response to your inquiry, I believe it would be useful to ~~conform~~ the Canadian claims to the allowed (but still unissued) claims in the United States case. This includes relatively minor amendments of claims 1 and 34. As we have previously provided you with copies of the prosecution at least through allowance, I believe you have what you need to accomplish the amendments.

Please let me know if you need anything further.

Very truly yours,

JEFFREY H. INGERMAN
